

The image shows the exterior of a modern hospital building. A large, textured palm tree trunk is on the left side. The building has a mix of stone and glass facades. A glass-walled upper level is visible. The entrance area has a dark overhang and glass doors. A ramp with a metal handrail leads to the entrance. A silver car is partially visible on the right. The sky is clear and blue.

... your
community
hospital

At Cabrini Brighton we care about people.

While the hospital is the most modern in the Bayside region, technologically advanced and of the highest Australian standards, it is the superior level of clinical expertise and the individualised care that matters. We value your health as much as you do.

From the moment you step through the door, whether as an in-patient or as an out-patient, we aim to make your visit as pleasant as possible. Care is what it's all about.

The hospital is fully integrated with all the services of the Cabrini Health organisation to meet your healthcare needs at all stages of life.

Admission to Hospital

At Cabrini Brighton we aim to make your admission to hospital as easy and as streamlined as possible.

Pre-admission Service

Our Pre-Admission Service ensures that you are adequately and safely prepared for your hospital admission.

Our nurses clarify all patient information and follow-up any of your special requirements and are able to answer any of your questions or concerns. They liaise with each department involved in your care and will provide you with the information you need to make your stay as comfortable as possible.

Office hours:

Monday to Friday

8.00 am – 4.30 pm

Day Of Surgery Admission (DOSA)

Surgical patients are admitted to the hospital via the DOSA suite, located within the Operating Theatre Complex on the 1st Floor.

The area comprises three waiting areas, private changing rooms with secure lockers for storage of your belongings and interview rooms for private consultation with medical specialists and nursing staff prior to surgery.
