**Where: Cabrini Hospital Chapel  
183 Wattletree Road, Malvern**

**RSVP: 17 March 2010 - Tel: 9508 1375**

## **The Peter Meese Memorial Lecture**

An annual event of the Cabrini-Deakin Centre for Nursing Research, the Memorial Lecture is in honour of Peter Meese, a highly regarded Melbourne medical practitioner prior to his bowel cancer diagnosis in 1999. Following Peter's death, Dr Darren Lockie established annual cancer research grants and the Memorial Lecture to thank Cabrini Health nursing staff for their compassionate care during Peter's illness.
