Cabrini Specialist Centre

ELSTERNWICK

Located in the heart of Elsternwick, we are pleased to offer admitting Cabrini psychiatrists a modern consulting space located just 90 metres from the Lisa Thurin Women's Health Centre.

CONSULTING SUITES
FOR MENTAL HEALTH

CONSULTING SUITES FOR PSYCHIATRISTS

The Cabrini Specialist Centre offers:

- Six generous consulting suites
- Premium quality amenities
- Central location
- Onsite parking for medical staff
- Convenient nearby parking for patients
- Located near diagnostic services including:
 - Melbourne Pathology at 232 Kooyong Rd, Caulfield
 - IMED Radiology at Level 11/260 Kooyong Rd, Caulfield

Administrative support provided for admitting psychiatrists

- Fully-equipped consulting room including desktop computer/IT/internet access/WiFi and telephone infrastructure. Provision of basic medical consumables and office supplies.
- A Cabrini employed receptionist will provide administration support including taking general calls, and enquiries, during the agreed session.
- A dedicated local telephone number with ability to divert calls to another location when the consultant is not working within the centre.
- Appointment bookings and related management for patient visits at the centre and booking follow up activities (i.e. changes to appointments, cancellations).
- Billing and payment handling for Cabrini consulting sessions (subject to software constraints). Please note: debtor management is not part of this service nor the responsibility of Cabrini.

Session times

- Four hours allocated per session
- AM – nominally 8.30 am to 12.30 pm
- PM – nominally 1 pm to 5 pm
- Some flexibility as to AM start time and PM finish time is possible but this is subject to the need for a room to be ready for a PM consulting session
- All day consulting arrangements are available

Practice management software

- Access to practice software will be provided for the first 12 months, thereafter, there will be an annual/monthly subscription fee.

Pricing

Competitive introductory rates for all admitting psychiatrists.
