

NEUROPSYCHOLOGY SERVICES

Neuropsychology is a well-established service offering a comprehensive cognitive assessment for many conditions including dementia, acquired brain injury, stroke, and degenerative neurological conditions such as Parkinson's.

We offer both comprehensive neuropsychology and capacity assessments at the Cabrini Specialist Centre - Elsternwick.

Please contact Access for any queries or appointments (see below).

The fees* for neuropsychology assessments (non-rebatable through Medicare or private health):

Fees	Packages (paid upfront)	
	Comprehensive neuropsychology assessment and report	\$2200
	Capacity neuropsychology assessments and report	\$3000
	PAYG per hour (approx. 14-18 hours for each assessment)	\$200

* DVA, TAC and Worksafe are fully covered for these assessments if approved.
